Sorrento Midwinters (SSCBC) tbc

Dates correct at time of writing 31<sup>st</sup> August.

### **The 2022-2023 RS Aero VIC Traveller's series.**

This is a multi-event series where trophies will be awarded in the 5, 6, 7, and 9 fleets for a combination of event participation and your best five results in a particular rig in these events:

- Sail Sandy (SYC) 15-16<sup>th</sup> October
- Sail Country (AWYC) 29<sup>th</sup>-30<sup>th</sup> October
- Bill Bell Regatta (BRYC) 26-27<sup>th</sup> November
- Australia Day Regatta (McYC) 28-29<sup>th</sup> January
- Warrnambool YC Regatta 18-19<sup>th</sup> February
- George Mac Regatta and VIC State titles 25-26<sup>th</sup> March
- Lake Boga YC Easter Regatta 7-10<sup>th</sup> April
- ANZAC Regatta Yarrowonga YC 29-30<sup>th</sup> April
- Sail Bellarine (IHYC) 6-7<sup>th</sup> May

If you enter and compete in any of these events, you will be automatically entered into the Traveller's Series for whichever rig you sailed in i.e. 5, 6, 7, or 9 rigs. If you compete in regattas in different rigs, they will be counted as separate entries in each separate rig series.

For each regatta, you will score points based on the number of entries and your overall position (e.g. 1<sup>st</sup> at an eight boat regatta = 8 points, 2<sup>nd</sup> =7 points)

The more events you attend, the better, as your overall score at the end of the series will include a multiplier, e.g. if you attend three events, your total score will be x3.

Your best five results will count towards the Traveller's series, so the maximum multiplier will be x5, but if you attend the Nationals as well, you will get a bonus extra x1 multiplier in the rig you sailed in at the Nationals.

e.g. you do four events in a 7 rig and then another two events and the Nationals in a 6 rig, you would have your 7 rig results x5 and your 6 rig results x3.

Trophies for each rig in the Traveller's series will be awarded at the last event of the season at Sail Bellarine.

If you have any queries about the Traveller's series, please contact
